Insure the Health of Your Family With a Leonard Cleanable One-Piece Porcelain-Lined Refrigerator

"As Easily Cleaned as a China Dish"

THE seamless one-piece porcelain linings of the Leonard Cleanable Refrigerator won the blue ribbon and highest award at the Panama Pacific Exposition. The judges could find nothing to equal these glistening white linings of solid porcelain, with no seams or cracks, and porcelain that could not be chipped or cracked and would not craze or peel. You can see these same fine refrigerators at our store.

"The Care and Selection of Refrigerators"

GALVANIZED iron has innumerable little cracks and crevices in which grease and dirt can collect; is very hard to wash and keep clean. You wouldn't have a galvanized iron bathtub, so why a galvanized refrigerator?

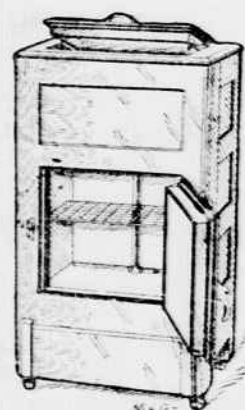

ENAMEL-LINED refrigerators called "Porcelite," etc., scratch easily, as shown here, leaving deep cracks in which dirt and grease can hide. Looks bad and is a breeding place for germs.

LEONARD PORCELAIN

NO germ or dirt or grease can find a footing on this wonderful porcelain. Not a crack—smooth and clean without any cracks or seams. Whenever it is soiled it can be wiped perfectly clean with a damp cloth.

A LEONARD REFRIGERATOR will soon save the price of a cheap refrigerator in the ice it saves and the perfect preservation of food that is oftentimes spoiled in a cheap, inefficient refrigerator. Special inducements offering you "something for nothing" to buy a refrigerator are merely to overcome the shortcomings of the refrigerators. With a Leonard Cleanable you get 100 per cent value.

Leonard Refrigerators Are Not High Priced; They Are Less in Most Cases Than the Insanitary Kinds
